\$85.00 per hour + HST + mileage @.80/km for locations over 30km from the Garden Centre

The Designer meets with the client at the specified property to gather information necessary for that particular design

This may include, but is not limited to, some or all of the following

- Budget discussions (design time/ plant and materials/ installation options)
Both the Designer and the client need to be clear on what is to be accomplished with the assigned budget
An Average Residential Front Yard design requires a minimum of **5 hours**. - which includes the first site visit (usually 1 hour) and Garden Centre revision meeting (usually 1 hour)
- Measurements and Photographs
- Particular customer specifications (i.e. block the view of the neighbor on the left...)
- Customer preferences in terms of plant and other materials (mulch etc...) to be used in the design
- A discussion of the continuing care needs of the requested design
- Installation considerations that affect the design
- Payment is made in advance of design creation.
- A Follow up meeting with the client (usually hour) at the Garden Centre to review the Design and make refinements
- The Design Package includes
 - A Full color picture (or pictures depending on the scope of the work to be done) of completed landscape design
 - An overhead Plot plan of the design
 - A complete list of plant materials used in the design
 - A quotation on the plant and hardscaping materials (that Azilda Greenhouses can supply)
